All pets are offered a daily probiotic included in the cost of boarding to decrease the risk of stress diarrhea.

I DECLINE the daily probiotic for my animal. By doing so, I understand that my pet has a higher risk of developing stress diarrhea from being at a boarding facility. I understand this may require additional treatments that would be at an additional cost.

I APPROVE the daily probiotic for my animal.

All canine guests are offered a complimentary bath if they are staying for 5+ nights.

I DECLINE the complimentary bath -OR- it does not apply to my reservation.

I APPROVE the complimentary bath.
